

Material Donations - PCOL

The H.O.M.E. Program accepts donations of new and excellent condition used items for babies and toddlers. Please see the list of items we accept or restrict. If you do not see a specific item listed, please call (810) 667-0055.

Donations may be dropped off on Mondays 10-3 & Wednesdays & Thursdays 9-5. Due to the sensitivity of our client visits and limited storage, we ask that you **call ahead** to let us know what you will be bringing. **Please do not leave material donations outside.** Once exposed to nature and wildlife it would have to be thrown out.
